

# Digital Pigment Printing

A beautiful pigment print begins with a high quality digital file. We will work with you using our state of the art technology and expertise to ensure that we can produce for you the best possible results.

Two rounds of proofs (not full size) included with each image, additional available at 50% of the full size print. Cleaning, cropping and basic color correction are included. Matching a print will be considered interpretation, which may incur additional charges. Significant retouching and image alteration subject to hourly billing. Special request paper stocks available on a case by case basis, subject to additional fees.

For multiples, please email or call us for an estimate.

PLEASE NOTE: Special papers may take longer lead times and incur additional fees. Please contact us to get a more specific time and cost estimate.
